It is said now that the "Blamark Garden" is not proving a howling success, even the white people refusing to go out on rainy, cold nights to drink "Marse Steve's" beer.

Some Negroes deliberately seek discrimination and insult. They seem to enjoy it. Otherwise they would remain away from places where these insults are held out. They have no race dignity whatever.

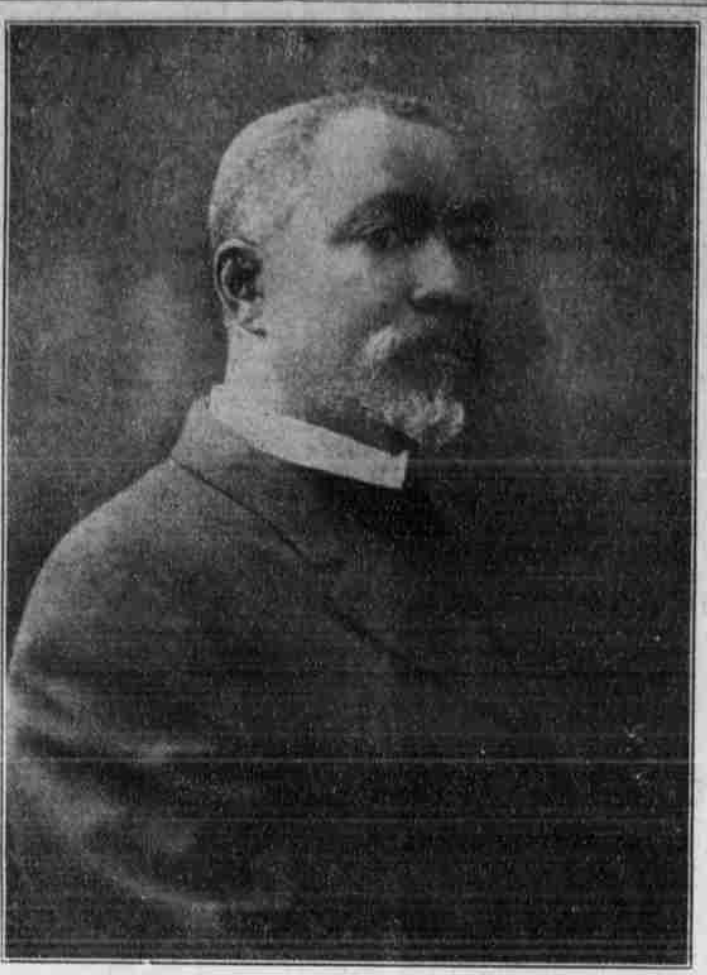

Again the foolish chauffeur has come forth with his employer's car at night. He has gathered up some foolish women and in the midst of their foolish whirl they collided with another car, injuring several persons and wrecking a car—all for the lack of good, common sense.

If Missouri has any more men like Nelson C. Crews send them to the Northwest we need them! This goes for Mrs. Victoria Clay Haley, the Royal G. M. also.—Portland, Ore., Advocate.

Thanks Brother Kennedy, but old "Missou" has many Negro citizens like Crews and Haley. If you don't believe it "We'll show you."

Early in next month the Missouri State Teachers' Association will convene in this city. Everybody likes to visit Kansas City and a large number of visitors is expected. So far as the local colored teachers are concerned there does not appear to be much stir over the coming event. Prof. Grisham who was elected president after a hard campaign by his friends has given the work of preparing for the meeting over to another and up to this time very little has been done in the way of making up a program, arranging exhibits or entertaining the visitors. It's high time for someone to get busy.

Every once in a while a person may be heard complaining against his race newspaper for not publishing more news. Such person is seldom a subscriber or an advertiser. He usually borrows a paper, scans it carelessly, then knocks. He doesn't realize that his support and patronage would make the paper just what he wanted. He forgets that he is a member of a certain guild of Negroes who can see nothing good in their own race and never have time or money for its support. He forgets that on account of this very race weakness he is made the scum of the earth by stronger races, that because he grins and submits, he is ostracized, segregated and disfranchised. He forgets that if he would be a real man, protect his home, defend his women against insult, patronize his black brother in business and be true to his God he would be the most potent factor in American government.

RT. REV. H. B. PARKS, D. D.  
Presiding over the largest district in the African Methodist Episcopal Church.

## NOTES ON RACIAL PROGRESS.

Reported by the National Negro Business League.

Joe Jeannette, famous pugilist, has retired from the ring and established a jitney bus line in Hoboken, New Jersey.

The Extension Department of the Tuskegee Institute has just issued a new pamphlet entitled "The Negro Rural School and Its Relation to the Community."

The Royal Circle of Friends, a fraternal organization, has donated \$500 to the colored sufferers from the Texas flood. Dr. R. A. Williams of Helena, Arkansas, is the Supreme Ruler.

Charles H. Moore, National Organizer for the National Negro Business League, has been appointed field agent for the North Carolina association which is developing rural school work among the Negroes.

A successful Agricultural Fair has been held by the colored farmers at Tazewell, Virginia. The attendance was large and the exhibits creditable. It is said that the directors declared a dividend of 40 per cent.

Frank C. Fane, treasurer of the Pullman Porters' Benevolent Association, has recently launched a movement to establish a home for aged and dependent men of the service. The association has its headquarters in New York City.

"Patterson-Greenfield" is the name of the new automobile made by the famous colored firm of buggy makers, C. R. Patterson & Sons, of Greenfield, Ohio. The car is said to embody many distinctive features and to in every way measure up to the Patterson standard of excellence.

A Thought for the Week—Do you know that if 100 additional Negroes would patronize any one of our Negro enterprises, and spend only 25 cents apiece a week with him, in a year he would make \$1,300? Suppose 500 Negroes would patronize him, in a short time his or her business would increase so rapidly that they would have to take on more help. Maybe then your son or daughter might be taken out of the field or kitchen to fill the position.—Royal Messenger.

## ROSEDALE, KANSAS.

The services of the Pleasant Valley Baptist Church Sunday were very good. Rev. G. W. Dickerson delivered two very impressive sermons. He will speak at the Church Sunday, October 10. Come and hear him. The Texas Jubilee Singers rendered a splendid program at the church Friday evening to a large and appreciative audience and a neat sum was realized. We hope to have a return engagement....Mr. F. D. Mallory of Topeka, Kas., is the guest of Mr. and Mrs. W. G. Pinkard. Electric lights have been installed in the St. Paul A. M. E. Zion church of which Rev. Jno. Harvey is the pastor and will be turned on Sunday evening at which time a program will be rendered....Mrs. J. T. Haskell will leave Saturday for St. Paul, Minn., to remain two months with her daughter, Mrs. A. Bond.

## THEY SAY

—That snowballs make mighty poor eating with nothing to go along with it.

—That a woman always sits on the floor to put on her stockings and a man never does. Why?

—That there are some teachers doing things in Kansas City that only a fool would undertake. What?

—That the Negro who has got a job had better hold on awful tight if he wants to connect with the bread wagon this winter.

—That at a recent society event a certain Negro wore a full dress coat, red tie and palm beach pants. That's going some, ain't it?

—That it's a safe bet that Dr. Sampson Brooks of St. Louis will be one of the next Bishops of the A. M. E. Church. The Sun says Hurrah!

—That with gas gone already and coal out of sight picnic and good time Negroes had better hike for the sunny South. Hurry brother, hurry.

—That now that the Baptists have raised all kinds of hell at their National Convention, its up to the Methodists to lynch some blatant, obnoxious Jackass at the next General Conference.

\*\*\*\*\*  
Beginning with next week's issue the Editor will give an account of his recent travels thru the "GOLDEN WEST," the people he met, the lines of business in which our people are engaged and the various things of interest which came under his observation. Watch for it!

## TEACHERS OF KANSAS CITY.

I would like to introduce to you through the columns of the Kansas City Sun, The Clover Leaf Casualty Insurance Co., of Jacksonville, Ill., which is an old line stock insurance company, with a capital stock of \$125,000.00 fully paid.

The Clover Leaf is issuing the best health and accident policy for professional and business men and women of any other company. I have been in the employ of the Clover Leaf Casualty Co., as district manager for three years, most of which time has been given to the service of the people of St. Louis. I am in position to say with letters of endorsement from the business and professional people of St. Louis that the Clover Leaf is a strictly reliable company and pays its claims promptly and satisfactorily.

The Clover Leaf, which is a White company, is giving more Colored men and women employment in the nine states in which it is operating than any other company. We are arranging at this time to make a special canvass among the teachers of this city, and we hope when called upon by one of our agents that you will give him an opportunity to go over our contract and rates with you, and compare them with the insurance contract you are now carrying.

Yours for best services in this capacity, J. J. ALLEN, Dist. Mgr.  
Office 1503 East 18th Street.  
Phones: Bell East 1514; Home East 1196.

I have always found him trustworthy, earnest and intelligent in business matters. I believe that he will not abuse any confidence placed in him.

Very respectfully,  
FRANK L. WILLIAMS,  
Principal Sumner High School.

Kansas City, Mo., Sept. 23, 1915.

To whom it may concern:  
I take pleasure in stating that the Clover Leaf Casualty Company writes the best Sick and Accident Policy that I have examined and investigated.

All claims are paid promptly and according to contract.

Mr. J. J. Allen, district manager, is in every way reliable and responsible.

Give him a chance to explain his policy.
